## Grayling Trade Show

Everything is in readiness for the big Trade Show, to open Friday, May 14th. Doors will be open to the public at 5 p.m. and will remain open until 10:00 p.m. The hours will be for Saturday noon to 10 p.m. On Sunday the show will be open from noon to 8 p.m. Forty-six booths will be set up in the new Road Commission building on Huron Street.

GRAYLING merchants are putting forth every effort to make this the biggest and best Trade Show to date. New 1965 car models will be on display along with every type of merchandise sold in the Grayling stores. Merchants who are unable to have booths have purchased banners and they will be on display in the building.

There will be a total of 46 booths displaying merchandise of all kinds. In addition, there will be

over 50 door prizes worth over \$1,000.00. There will be a cash prize of \$50 for adults both on Saturday and Sunday evenings. A child's bike will also be a Sunday door prize. There will be smaller cash prizes for both adults and children each day. And remember there will be drawings for prizes from most all of the displaying booths throughout the show.

There will be a bake sale of wonderful home made baked goods on Saturday afternoon.

The lunch room will operate both afternoon and evenings. Bring the family and stay right through, no going home to cook.

Visit all the booths and see what Grayling merchants have to offer. Let's boost Grayling and help our merchants by shopping locally.

ADMISSION will be 50 cents for adults and 25 cents for children

under 12. There will be ample parking space for everyone. Remember the dates, Friday, Saturday and Sunday, May 14, 15 and 16, and also remember that everyone who purchases a ticket is eligible for chances on all these wonderful door prizes.

## \$104,500 for Camp Grayling Construction

The Avalanche was advised last Friday afternoon by United States Congressman Elford A. Cederberg that \$104,500 in federal funds appropriated for Army National Guard construction had been released to the National Guard Bureau for construction of additional training facilities at Camp Grayling.

The announcement was made to Congressman Cederberg by Major General Winston P. Wilson, Chief, National Guard Bureau. The funds will be used for three mess halls and additional ammunition storage sheds and buildings.

The three mess halls will each cover approximately 3,584 square feet. Two ammunition storage buildings will be 40 by 100 feet, two others will measure 20 by 40 feet plus two open ammunition storage sheds also 20 by 40 feet. In addition, there will be constructed nine concrete ammunition storage slabs of 20 by 40 feet and one that will measure 100 by 200 feet. One other item on construction is a security fence which will be 680 feet long.

The construction will be carried out under a contract administered by the state. It was thought that work on the several projects would probably be gotten underway as soon as possible.

## Services Held For Frederic's Edmund Jungman

Services were held Monday afternoon at 2 p. m. from Sorenson's Funeral Home in Grayling for Edmund H. Jungman, 51, of Frederic who was a victim in the ship collision at the Straits of Mackinac last Friday.

Jungman was the only member of the crew of the steamer Cedarville who was not a native of Rogers City. He was a deck watchman on the limestone carrier of the United States Steel Company that sank following a collision in the heavy fog just southeast of the Mackinac Bridge. There is one more known victim plus eight missing and presumed dead.

Military services were conducted from the Grayling Post 106, American Legion.

Jungman, a graduate of Frederic High School and a member of the Moose Lodge of Grayling, was a World War II Navy veteran and a Great Lakes sailor for 10 years. Survivors include his widow, Jennie Lee; a son, Michael, 13; two daughters, Lana Joyce, 16, and Shelly, 10. A brother, Ralph, also lives in Grayling.

Jungman was buried in Oak Wood Cemetery at Frederic.

Here to attend the funeral of Ed Jungman Monday were Mr. and Mrs. Dale Allen of Bath, Mr. and Mrs. Bennie Allen, Lansing, Mrs. Harold Noll and son Robert, Inkster, Fred Allen, Big Rapids, Mr. and Mrs. Chris Noll and Mr. and Mrs. William Russell, South Boardman.

## Grayling Second In Track Meet

The Grayling Vikings took a second in a triangular meet held at Gaylord last Monday. Charlevoix was first with 108 1/2 points, Grayling second with 50 and the host team third with 19 1/2.

THIS MONDAY the Vikings were to travel to Charlevoix for the annual conference meet. The green and white will be slightly handicapped as they have lost the services of Richard Smith who is fighting an infection. Besides being part of the relay teams Smith was a strong point getter in the 220 yard dash and broad jump.

On Friday of this week, the Regional track meet will be held at Traverse City followed up by the State Meet at Mount Pleasant on May 21st.

At Gaylord last Monday scoring for the Vikings were: Dave Bailey, a first in the 100 yard dash; Dave Nethers, a first in the high jump; a second by the 880 yard relay team; Nethers, a second in the low hurdles; Bailey, a second in the 220 yard dash; John Sorenson, a third in the mile; Ken Halstead, a third in the half mile; Mark Day, a third in the 100; Tom Hatfield, a third in the high jump; Ron Lovell, a third in the shot put; Mike Corlew, a third in the broad jump; Richard Smith, a fourth in the 220; Dave Englund, a fourth in the shot put and Richard Smith, a fourth in the broad jump.

## Will You Donate For Floral Plantings?

Money is needed to purchase plants for the annual plantings along I-75 Business Loop in the City of Grayling. This always brightens up the city and makes a fine impression on visitors. Won't you help?

WILL YOU please leave your donations for flowers at the City Office, Chamber of Commerce, Avalanche office or Grayling Bank or give them to any member of the Housing Commission? Even 50 cents or \$1.00 will help. No donations are too small to help with this project.

### Steam Whistle Gift Gains National Article

The presentation to the Gaylord plant of the United States Plywood Corporation of a steam whistle by the citizens of Crawford County and Grayling garnered a fine full page article complete with two pictures in the publication "The Wood News" published by the Corporation.

The article is entitled "Story of a Steam Whistle" and tells of the whistle's history and of the presentation ceremony held at the Gaylord plant last February.

### Ranch Begins Show Season

By Janet Olson

The South Branch Ranch has started another show season with their fine Appaloosa horses and again this year are going to be hard to beat. Last year their stallion Sonny Boy's Red Dog was Grand Champion Stallion in the State and Quansette, a two-year-old mare, was High Point Mare in her age group and also Reserve Champion of Champions.

THIS YEAR they will be introducing new winners with Pale Face L., a gelding, and Sonny Boy's Mountain Maid, a beautiful black mare with white markings. Their show season started in Mishawaka, Indiana, on the 24th where Mountain Maid took first in her 1962 Mare class, a second in Cutting and was Grand Champion Mare. This was her first cutting horse competition and she showed exceptional ability. She was shown by Marty Tharish, South Branch Ranch's fine trainer.

In Mishawaka, Pale Face L. placed 1st in Senior Gelding, took a 2nd in Senior Reining and was Reserve Champion Gelding.

The horses were then taken directly to Bellevue, Michigan, to be shown at the Green Arrow Horseman's Club Show on the 25th. Mountain Maid placed 1st in her class of Three Year and Older Mares and was again Grand Champion Mare. Pale Face L. took a 2nd in Reining, a 2nd in the Gelding Class and a 6th in Western Pleasure. Both of the horses have been trained and shown by Mr. Tharish for the South Branch Ranch.

ON JUNE 6th South Branch Ranch will be host to the First Annual All Appaloosa Show. This is a M. A. P. H. C. approved show and will draw the finest Appaloosa horses from many states. Mr. E. M. Timmons of Medina, New York, will judge the show.

### First Quarter Highway Fund Yield Is \$90.8 Million

Lansing — The State Highway Department has started distributing first quarter Motor Vehicle Highway Fund collections to Michigan counties and incorporated cities and villages.

HOWARD E. HILL, Acting State Highway Director, said net receipts of the Highway Fund during January, February and March of 1965, amounted to \$90,896,324, a decrease of \$1,042,491 under revenue for the same period in 1964.

The decrease, Hill said, was because thousands of motorists bought their 1965 license plates earlier than usual. License plate sales during November and December were up 67 per cent compared to the previous year and this resulted in a \$6 million increase in Highway Fund collections during the final quarter of last year.

Under the distribution, Crawford County will receive \$118,004 while the share of the City of Grayling will be \$7,361.

### 12th ANNUAL

## Michigan Week To Be Observed Throughout State May 16 To 22

This year's Michigan Week observance, the 12th annual, takes on international color with special programs and events focusing attention on the state's role in world affairs and world trade and on its contributions to the social and economic advancement of people around the globe.

While the actual celebration is from May 16 to 22, the objectives of Michigan Week are carried forward throughout the entire year, and many projects are continuous.

"Michigan—Dynamic in World Progress," theme of the 1965 Michigan Week, not only serves to emphasize the state's international importance to its own people, but affords an opportunity to tell the Michigan story in other nations of the free world.

Many outstanding programs during Michigan Week will emphasize the theme, recognizing the part of industry and business in international trade; highlighting Michigan products sold in all parts of the world, and recognizing foreign students and visitors in our state.

GENERAL CHAIRMAN Woodward C. Smith, vice president of Central Michigan University, Mt. Pleasant, sounded the keynote for the observance when he said:

"Michigan Week is the climax of a great year around effort to show Michigan's advantages to the nation and the world and to inspire Michigan people to know their own state better, take pride in it, and work together for their state's future."

Each day of Michigan Week has a special designation, with programs keyed to a central idea.

### Viking Linksters Win. Lose, Take Second

In golf action last week, the Vikings won one, lost one and placed second in a three team meet. Petoskey St. Francis took a 15-0 decision on Tuesday despite some good scores, for Grayling. John Cook shot an 86 but his opponent, Tom Stewart had a 75. Kyle Slusser had 97, Dale Slusser 98, Fern Welch 108 and Steve DuBois 111.

The home opener on Thursday was a different story when the Green and White topped Inland Lakes 11 to 10. Bob Jackson was medalist with a 93. He was followed by George Stancil 95, DuBois 97, LeRoy Neal 101, Richard Lovell 115, Ricky Youngs 116, and Don Broeker 123.

Friday at Gladwin in a three team meet Midland took first, Grayling second and Gladwin third. Shooting for the Vikings in the nine-hole match were the Slusser brothers with 46 each, Stancil 50, Neal 53 and Jon MacLeod and Paul King each 54.

This week's action called for a meet at Traverse City Tuesday while a second unit was at Inland Lakes and the regional at Whitehall Friday.

Wednesday, May 19th, is to be "Fred Bear Appreciation Day" in Grayling. The entire community will take part in paying tribute to this industrialist who has made the town of Grayling famous everywhere as "The Archery Capitol of the World."

FRED BEAR was born on a farm near Waynesboro, Pennsylvania on March 5, 1901. While still in his teens, he was apprenticed to a pattern maker. After his apprenticeship, he moved to Detroit where there was a demand for this skill in the growing automotive industry.

During the depression years (1927) he established a small archery shop as a means of supplementing his income. Introduced to archery by association with the late Art Young, famous bowhunter often called "the father of modern bowhunting", Fred soon made archery his exclusive endeavor, as well as his hobby.

Since that time, the Bear Archery Company, headed by its founder and president, has established a long and unique record in the field of archery. Over the years, Fred has personally accounted for over 80 big game animals, including everything from Alaskan Kodiak bear to African elephant and Asian tiger.

In order to be where the hunting and fishing were best, Fred and his associates moved the business to Grayling and erected a plant containing 8,500 square feet of floor space in 1946. Since that time, Bear Archery Company has been the leading industry of Grayling and of Crawford County. As a result of the ever-mounting demand for Bear products, additions to the plant were built in 1953, in 1955, in 1956, and again in 1965. The 1965 addition of some 11,000 square feet brought the total plant space to well over 36,000 square feet.

In 1947, the number of employees was between 20 and 30, and bow production that year totalled 7,500. Today, this plant employs some 200 men and women who combine their skills in the design and production of bows, arrows, hunting arrow heads, a complete line of leather goods, and other archery accessories. The expected bow production for 1965 will be around 53,000. The majority of employees are themselves field archery and bowhunting enthusiasts — all seeking new ways to further the effectiveness and pleasure of these fast-growing sports.

THE BEAR ARCHERY Company is now the world's largest manufacturer of quality archery tackle and is the only such manufacturer having a complete sales force covering our 50 states. In addition, through exporting firms, their products are sold throughout the world, and are carried proudly by thousands of target archers and bowhunters who demand the finest — and have it in these modern sporting arms.

At approximately 6:00 p. m. on May 19th, the school band will escort Fred from the south end of Michigan Avenue to the High School gymnasium. A free buffet style meal will be served at 6:30 to all who attend, and it is hoped that the entire population of Grayling and Frederic will be on hand to join in the program honoring the man who has done so much for the economic and aesthetic growth of this community, Crawford County, and the State of Michigan.

### MEMORIAL DAY PARADE NOTICE

The Memorial Day parade this year will be held on Saturday, May 29th, at 10 a. m., according to Legion Post Commander Harold Drake. Instead of on May 30th so as to not conflict with church observances. All veterans and Legionnaires are urged to participate. Other organizations and groups are invited to take part and are asked to contact Jack Rasmussen or Harold Gohnick as to their plans.

## County Selected Service Businesses Grossed \$1.7 Million In 1963

Crawford County's 60 service establishments had total receipts of \$1.7 million in 1963, an increase of 210 percent from 1958, according to a report of the 1963 census of business just released by the Bureau of the Census, U. S. Department of Commerce. The last previous census of business covered operations during 1958.

The service trades in the census of business included those providing: personal services to individuals; miscellaneous business services; auto repair and other auto services; and other repair services. Also included were motion picture

businesses; motion picture theatres; other amusement and recreation services; and hotels and motels. The selected service trade establishments in the county employed 92 persons (exclusive of proprietors) and had a payroll for the year of \$398 thousand. The state as a whole included 44,412 establishments with receipts of \$1,793.1 million.

The Bureau of the census report: selected services, Michigan, 1963 Census of Business, from which these data are taken, may be purchased from the Superintendent of Documents, Washington, D. C. 20540 and at U. S. Dept. of

## CLEAN UP, PAINT UP AND FIX UP

Have you given your yard its spring cleaning? If you haven't will you please do so yet this week? May 16th to 22nd is Michigan Week and as you know our Governor will be here on May 21st to tour our area and have lunch with the people of Grayling and Crawford County.

We wish to make a favorable impression on all of the people visiting us during Michigan Week.

We also must have this Clean up campaign in our Workable program with the Federal Government. This program helps all of our citizens as it also makes you as individuals to be eligible for more liberal FHA financing plus all the community projects which we have going now in our area. We are at present working for the 28 units for the elderly and hope for 22 units for the non-elderly. The Public Housing Administration will be in our area to help us select the sites and we certainly wish to make a favorable impression on them with a neat and clean community. They have a right to expect this if they are to invest money in our community.

WE HAVE organized a Citizen Participation committee which is also a must of our Workable Program to assist us in this Clean up campaign. The members of this committee are being divided into teams and will canvass the city and check for buildings, rubbish, old cars, and any junk that should be cleared away to make this the kind of a community that we will be proud to have the Public Housing Administration inspect. Please show these citizens the proper courtesy as they are working for the good of all of us. Let's each of us try to really instill a sense of real Community Pride in everyone. If you have something in your yard that you want disposed of but are unable to do so, please call the City office and they will do it for you.

IF YOU paint your home, tear off an old porch and fix new steps, this is maintenance and not an addition to your home. Therefore it is not an addition to your assessed valuation and will not raise your taxes. However, if you build a garage or add a room, this is an addition to your valuation. If you need help with financing or remodeling, the Grayling Bank and the local businessmen will be very happy to assist you.

We know you will all do your best. NOW. Don't forget your do-

## First July Fourth Donation Received

The Grayling Fire Department reports that the first donation from the public received in answer to its plea for financial assistance with the July Fourth celebration was from out-of-town Mrs. M. and Mrs. S. C. Ziska of Glen Ellyn, Ill., for which they are very grateful.

TEN LOCAL non-profit organizations have signed up to participate in providing concessions for the Grayling Fire Department 4th of July Celebration this year, co-chairmen Claude Halstead and Dan Williamson have announced. It is believed that this is the first time so many organizations have banded together to provide such community service.

The foundation has been laid for a variety of concessions for the eventful day. Included will

nations towards the Petunias for our City planting project.

The following people have asked the City to help in removing old building and junk cars and we are very grateful to them for their interest in improving our City.

Lloyd Crawford, Jack Feldhauser, Frank LaMotte and Roy LaMotte.

City of Grayling, Housing Comm., Chamber of Commerce.

## May Festival Very Successful

"Little Big Top" is over and the children have memories of the time they were in a circus. The show was in three rings and after the grand entrance the program proceeded by grades as announced by the Master of Ceremonies.

Kindergarten presented a wild west show, midge band, tiny toe dancers and five little frogs. First grade consisted of the antics of many colorful clowns.

Second grade featured a troupe of beautiful dancing dolls and also some well trained horses.

THE THIRD grade presented educated dogs, performing elephants, ferocious lions, acrobats, tight rope walkers, and twirlers, while the midway exhibited fat ladies, snake charmers, and other novelties.

The program finale was a death defying shot from a cannon.

Music for the various acts was supplied in circus style by the High School Band.

The program was presented by the primary department of the Elementary School. These teachers express their thanks to all who helped make it a success.

### CANCER DRIVE OVER THE TOP

Crawford County Cancer Drive Chairman, Mrs. Bruce Carlson, Tuesday received a congratulatory telegram from Roy A. Shrank, Division Crusade Chairman, Lansing, which reads as follows:

Congratulations to the volunteers of the Crawford County unit on exceeding the tenth county unit to exceed its goal in the 1965 crusade. I am so grateful to all of your volunteers for making this victory possible that I would appreciate having you express my gratitude to them.

Mrs. Carlson reports that so far \$1,197.66 has been collected, with five areas in the county still to report.

### Golf Aux. Wednesday

The first meeting of the Grayling Country Club Auxiliary will be held Wednesday, May 19, at 7:30 p. m. at the clubhouse. This is an organizational meeting in which all members and women interested in joining the Auxiliary are invited to come.

evening in the Chamber of Commerce office, 15 persons were in attendance representing the various organizations. A drawing of assignments was held and methods for handling various items was discussed.

THE NEXT meeting of representatives of the participating organizations has been set for Thursday, May 27th, at 8 p. m. at the Chamber's office. This meeting will be designed primarily to determine ordering techniques.

The Department was called out Friday at 11:06 a. m. to John's Bay Station after the station's acetylene torch blew up, burning the torch and hoses to the tanks. Proprietor John Galloway was able to turn off the gas and had the fire under control by the time fire

# SKINNER - SLABY WED APRIL 24th

Carl Minor, high school English instructor, has received a \$1200.00 tax-free grant from the Federal government to cover the cost of the eight weeks institute. The English Institute will be held from June 21 to August 13, 1965.

The institute is for secondary teachers from the fifteen counties of the Upper Peninsula and the eight counties immediately below the Straits of Mackinac. A total of thirty participants have been selected. The institute is sponsored by the United States Office of Education under the National Defense Education Act.

PARTICIPANTS will receive eight hours of graduate credit. The primary purpose of the institute is to present new findings in the field of English, and to consider their application to the teaching of high school students. It is expected that the new ideas and new fields of knowledge will be incorporated into the curriculum when the teachers return to their own classrooms. Participants will be expected to require more written composition from their high school students. Stronger assignments, as well as more of them, can be expected in those schools having participants at the institute. The ultimate goal of the English Institute is to improve the teaching of English in the secondary school.

## Bits O' Talk

Mr. and Mrs. Beverly See, who have sold their Ausable River home to Mr. and Mrs. George Munford of Detroit, left Monday the 10th to make their permanent home at Inverness, Florida. The Sees spent the winter there, and returned this spring to complete arrangements on their property here.

Mrs. Joseph Stripe, Mrs. Don Koch and Mrs. Thomas Stanell took exchange students Rhea Stripe and George Stanell to Belaire Monday evening for a briefing session for exchange students. George goes to Holland and Rhea to Spain June 20th. They will attend a picnic in Ann Arbor May 16th with other exchange students.

Bob Skolasky and Jim Blaauw returned home last weekend from a week's fishing in Wisconsin. The Raymond Root family has moved into the new home recently purchased from Mr. and Mrs. Clifton Jacobs, on M-72 east.

Mrs. Frank Karger of Chicago returned home Friday after visiting her mother and grandmother, Mrs. Ella Wilcox and Mrs. Oscar Hanson since the previous Sunday. Mrs. Karger came to model her own, her aunt Margaret's and her grandmother's wedding gowns at the mother-daughter potluck at Michelson Memorial Methodist church last Thursday.

The Bunco Club met with Mrs. Kip Papendick on April 29th. First prize went to Mrs. Russell Mosher with Mrs. Leo Hawkins taking second and Mrs. Byron Randolph both low and the penny prize. Next meeting of the club is on Thursday, May 13th, at the home of Mrs. Myrtle Larson. Note place change.

Mrs. Floyd Goshorn has returned to her home after spending since January visiting her son Charles Willie and family in East Lansing and her daughter, Mr. and Mrs. Harry Skinner in Grand Rapids. The Skinners brought her to Grayling and spent a few days.

Mr. and Mrs. Thomas Stanell and sons George and Phillip returned home the 30th after vacationing at their home in Ft. Lauderdale, Florida.

The marriage of Miss Myrna E. Skinner, daughter of Mr. and Mrs. George F. Skinner of 411 Peninsular, Grayling, to Mr. Jerry A. Slaby, son of Mr. and Mrs. Jerome Slaby of Traverse City, took place at eleven o'clock Saturday morning, April 24, 1965, at St. Mary's church in Grayling. Fr. Joseph Sakowski performed the double-ring ceremony before approximately seventy-five guests. Mary Lee Marshall was organist, her selection "Bring Flowers of the Harvest." Easter lilies and white gladioli decorated the church.

Given in marriage by her father, the bride chose a wedding gown of white nylon lace over organza, in ballerina length, and a shoulder-length veil. Her flowers were a bouquet of white carnations and pink roses.

Maid of honor was a sister, Miss Roberta Skinner, and bridesmaid was Miss Mary Pelton. They were attired in matching blue dresses of nylon with lace overlay. Blue nylon bows held their blue net short veils. Their bouquets were of white carnations and pink roses.

Arthur Elsenheimer of Traverse City was best man, and Edwin Skinner brother of the bride, groomsmen. Norman Sorenson and Robert Brady were ushers.

For her daughter's wedding Mrs. Skinner wore a three-piece suit of beige with brown and yellow accessories. Mrs. Slaby chose a tan sheath dress with lace overlay, and tan accessories. Both mothers wore corsages of yellow and white carnations.

A luncheon at Chief Shoppe.

## A mother's thoughts

Atomic bombs darken our skies... radioactive fallout threatens unborn generations... there is strife, unrest, even war in many parts of the world! How can we face the future with confidence when humanity stands at the very brink of destruction?

There is only one way: to be courageous and steadfast, and trust in the wisdom and mercy of God!

This little girl, my own daughter, does not know what troubles my heart. She is not afraid of tomorrow... not yet! Through the Church she will learn the ways of the Lord and how to live a truly Christian life. Through prayer may God help me set an example for my daughter... teaching me to put my trust, yes, my very life into His hands, no matter what the future might have in store for us!

## Forest Industries In 1980

David D. Olson  
County Extension Agent

The preliminary results of a two year study of the potential of Michigan's rural areas in 1980 conducted by faculty members of the College of Agriculture were presented to rural leaders in the Project '80 Conference held at Michigan State University in April. In the northern Michigan counties with a high percentage of forested land the projections of use and demand on forest industries should be of general interest to all citizens.

**THE YEAR 1980** is only 15 years away and now is the time for the citizens of Michigan to plan and prepare for the changes that are rapidly approaching. Michigan's population will increase from the 8.0 million in 1963 to 10.4 million in 1980. The age composition of the population will change with a higher portion of the population under 15, 15 to 29 years of age and 65 and over. People will have more leisure time. The average work week may well be reduced from 40 hours to 32 to 35 hours. More will retire at earlier ages.

These and other trends will have an important bearing on the future demands for the products and services of Michigan's rural areas. The population expansion is the most important factor. All the various factors combined will have a great effect on the demands for Michigan Forest Products by 1980.

The production and marketing of pulpwood is one of the primary industries in northern Michigan. As the young timber stands have reached harvest age, new industries have located in the area of timber surplus. Total Michigan pulpwood production has risen from 163,000 cords in 1952 to 1,223,000 in 1962. The projections for 1980 show an anticipated production of 3,180,000 cords of pulpwood or a 160 percent over the 1962 level.

**THE LUMBER** industry in Michigan has shown a steady decline since early 1900. Most of this decline could be ascribed to forest destruction, but now our forest lands are becoming more productive and as the inventory surplus builds up the lumber industry will slowly expand. The 1962 total lumber production was 456,000,000 board feet, and in 1962 the production had dipped to 319,000,000 board feet. Project '80 projections show a 1980 production of 400,000,000 board feet.

Michigan is currently the leading state in Christmas tree production. In 1955 production totaled one and a half million trees. By 1962 the total production reached 3.2 million Christmas trees. Taking into consideration all influencing factors the 1980 production is projected to 6.2 million trees.

**What effect will these projections have on the rural economy of Michigan?** The value of the raw timber products in Michigan will rise from \$66 million in 1962 to a projected \$116 million in 1980. These values will be, almost entirely accruing in the northern production areas of the State.

The value added by the manufacturing process of wood products is tremendous. Values added by manufacturing tend to increase at a much greater rate than the values of the raw timber products. As an example in the period from 1952 to 1962 value added by manufacturing of paper and allied products increased 282 percent while raw pulpwood value increased only 60 percent. The estimated total value added by manufacturing in 1962 was 448 million dollars. This figure could easily exceed one and a half billion dollars by 1980.

**THE FINAL** portion of the total value of the forest products industry in Michigan would be the value added beyond manufacturing by such activities as construction, transportation, and marketing. These values equaled 500 million dollars in 1962. Projections in 1980 are rather difficult to make, but it is safe to assume that value added by manufacturing will at least be close to raw material and manufacturing values combined.

This optimistic outlook in the forest products fields will mean more jobs in 1980. The total labor force involved in forest management and logging will rise from the 1962 figure of 11,900 men to 14,860 men in 1980.

Employment in the wood-manufacturing industries should follow the upward trends and climb from the 1962 level of 43,358 men to close to 55,000 to 65,000 men in 1980.

Project '80 has projected the supply and demand of wood products to 1980, and the projections show a continual rise in the industries for the next 15 years. Good Forest management on our public and private lands is a necessity if the supply of raw materials is to be available in 1980. Public and private land owners should take stock of their management efforts and determine if the rate and caliber of forest management practices today will be good enough for the demands of 1980.

In the opinion of many professionally trained foresters in Michigan, the present forest staff of the Michigan Department of Conservation is inadequate to properly manage publicly owned lands and be prepared for the demands of 1980.

Much of our privately owned forested lands are not being properly managed and additional trained foresters will be necessary in order to improve the management techniques.

It is up to the citizens of northern Michigan to determine if our local forest lands will be ready to supply the demands of the 1980's. Continued support for forestry programs of the Michigan Department of Conservation and the Coopera-

Mr. and Mrs. Frank Serven of 704 Park Street, Grayling, were the honored guests at an open house celebrating their 50th wedding anniversary held Saturday, May 8, 1965, at the home of Mr. and Mrs. Robert Bovee from three to seven o'clock. Co-hosts were Mr. and Mrs. Jack Seator, Pontiac, Mr. and Mrs. Rufus Edmonds of Flint, Miss Eunice Schreiber of Muskegon Heights, Mr. and Mrs. Frank Schreiber of Grand Rapids, Mr. and Mrs. York Edmonds of Pueblo, Colo., Mr. and Mrs. Andrew McGuire of Flint, Mr. and Mrs. Will Schreiber of Dearborn, Mr. and Mrs. William Christensen and Mr. and Mrs. Albert Schreiber of Grayling. Guests were served slices of a three-tiered wedding cake topped with gold-bells, wedding-bell ice cream and a beverage. Golden candles flanked the wedding-cake. A buffet supper was served to members of the family at eight o'clock.

Presiding at the open-house refreshment tables were Mrs. William Herie, Mrs. Hurl Deckrow, Mrs. Frank Schreiber, Mrs. Andrew McGuire, Mrs. Rufus Edmonds and Miss Eunice Schreiber. Assisting in greeting the guests was Earl Gierke.

Over 100 friends and relatives came to pay their respects to Mr. and Mrs. Serven and to extend their good wishes. The Servens received many lovely gifts, flowers and cards to mark the happy event.

Other out-of-town guests were Mr. and Mrs. Rufus Edmonds, Nancy, Edna and Bob, and the Andrew McGuires, Flint, the Richard Servens of Elmhurst, the Eugene Campbells of Farwell, the Walter Nelsons of Lansing, the Kenneth Hulls of Detroit, Mrs. Clarence Harris, Midland, Mrs. Louise Hill, Prudenville, the Jack Seators, Bob, Linda, Mike and Jan, Pontiac and the Warren Vallads, Kalkaska. Frank Algerton Serven was born September 26, 1880, in Woodford County, to Jackson and Etta Serven. He moved to Genesee County at an early age with his parents and grew up there. He came to Grayling in 1907 and worked in the sawmills for a time, then spent 15 years working at the winter sports park, and finally from 1943 at Camp Grayling until his retirement in 1956. He also guided for fishermen on the AuSable since he greatly enjoyed the outdoors himself. He was married to Elizabeth Wilhelmina Schreiber on May 10, 1915, at the William Christenson home in Grayling. The Rev. Aaron Mitchell performed the ceremony.

Mrs. Schreiber was born September 13, 1889 to Mr. and Mrs. Hugo Schreiber, Sr. at Sigsbee, nine miles east of Grayling. The Scheibers were one of Crawford County's pioneer families, having come here in 1879 and settled at Sigsbee. Elizabeth resided there with the exception of two years when her parents were in Bay City, at the time she was a baby. As a young woman she worked for a few years in a Flint factory, and also at summer resorts along the AuSable. After their marriage the couple moved to their present home, where they have been ever since. Mrs. Serven has received 50-year membership in the Crawford Grange and is a 50-year member of the Ladies National League. She also belongs to the group Our Gang.

## Annual Mothers Day Tea Held at Frederic School

Friday afternoon May 7th the first four grades of Frederic school held their 6th Annual Mothers Day Tea in the Kindergarten room of the Elementary Building.

Twenty two pre-schoolers, and fifty mothers, grandmothers and great grandmothers were entertained by songs, readings, skits and plays given by the school children.

Punch and cookies were served the guests from a table decorated with flowers and candles.

The children presented mothers gifts made for them. The teachers would like to thank all who attended and helped make this such a happy event.

beer's the one...  
for good taste,  
good fun

Wherever you fish for sport—on the ocean, by the booming surf, or on some quiet country pond, it's great at the end of the day to head for a rewarding glass of beer. While you're talking over the ones that got away, or pan-frying the ones that didn't, you enjoy the hearty taste and cool refreshment only a glass of beer can give you so well. Yes, whatever your sport—bowling or strolling, golfing or gardening—a frosty glass of beer makes a naturally great accompaniment.

## Monthly Social Security Payments In County Now Top \$50,000

Monthly old-age, survivors, and disability insurance benefits in Crawford County now top \$50,000, E. O. Wiles, District Manager of Social Security in Traverse City, said today on releasing his annual county benefit data report.

MR. WILES pointed out that these figures indicate that one person in 7 are receiving social security benefits. One in 10 persons in the nation as a whole receive social security payments. This is added evidence of the attraction Crawford County has for retired persons.

"There is no longer any doubt. Social security benefits are helping to stabilize the income and spending power of many residents in Crawford County."

The monthly benefits first became payable in January 1940, and they have continued without interruption, accompanied by a steady growth in the number of beneficiaries. As of December 31, 1964, some 746 Countians were collecting about \$602,232 annually from social security.

More people in Crawford County, he said, could draw social security benefits if they knew more about the law, and for that reason they are urged to visit or call the

local social security office whenever they have a question concerning their benefits or responsibilities.

As of January 1965, in the nation at large, more than 19 million beneficiaries were receiving payments at the rate of \$1.3 billion per month.

The following table shows the number and amount of each type of monthly benefit paid in Crawford County, as of December 31, 1964:

Group	No.	Payments
Retired Worker	410	\$2,150
Wife or Husband	104	\$2,238
Widow or Widower	67	\$2,240
Mother and Children	127	\$1,164
Disabled workers and dependents	38	\$3,394

THE YEAR 1965 marks several milestones in the history of social security. The January 1965 benefit payment marked the 300th month of payment since monthly benefits first became payable in January 1940. The number of monthly benefits currently being paid will reach the 20 million mark later in 1965. In addition, August is the 30th anniversary of the signing of the Social Security Act by President Franklin D. Roosevelt, Wiles said.

## TO DEDICATE JORDAN FISH HATCHERY MAY 29

Governor George Romney will deliver the principal address at the dedication of the new million dollar Jordan River National Fish Hatchery near Elmira on Saturday, May 29, Orville Walker Chairman of the dedication committee announced today.

The governor's presence at the dedication is the result of a change of plans. Until last week conflicting events precluded his appearance as part of the dedication program. State Sen. Thomas Schweigert, (R) of Petoskey will serve as chairman of the speaking program.

Governor Romney and U. S. Fish and Wildlife Service Commissioner Clarence Pautzke will share the honors of dedicating the new, ultra-modern lake trout hatchery. Myrt Riggs, President of the N. M. D. Council, will speak on the economic impact of the new hatchery on the Northern Michigan area.

The dedication is scheduled to begin at 1:30 p. m. and will be preceded by a Bar-B-Cue chicken dinner and band music provided by the public.

The hatchery, which is a key facility in the program to restore lake trout to the Great Lakes, went into operation for the first time last December and reached full capacity this spring.

CONSTRUCTION of the hatchery was started in July, 1961 following transfer of the land from the State of Michigan to the federal government on Sept. 11, 1959. The site was selected after approximately 50 sites had been inspected by the

Bureau of Sport Fisheries and Wildlife. Previously the land had been owned by a private lumber company and had been acquired by the State of Michigan as a State Forest.

One of the most modern in the world, the Jordan River Hatchery will produce approximately five million fingerling lake trout per year for restocking in the Great Lakes. Of these, about three million fingerlings will be retained at Jordan River annually for rearing to about five inches in length, the size providing the greatest survival when stocked in the lakes.

About 18 months will be required to rear this size lake trout from the eggs received by the hatchery from state and federal fisheries crews.

Approximately one million fingerlings will be transferred each year to each of the two federal fish hatcheries in the Upper Peninsula for rearing to the five inch size.

The two U. P. hatcheries are the Pindills Creek National Fish Hatchery and the Hiawatha Forest National Fish Hatchery.

All lake trout produced for the lake trout rehabilitation program are marked for future identification and will be stocked primarily in Lakes Michigan and Superior. The fish plantings will be made via distribution trucks to sites along the lake shores or at the mouth of streams. Marking the fish enables fisheries workers to estimate survival and the success of the plantings.

The dedication program plans will be finalized at a meeting of the dedication committee at the Hatchery at 10:00 a. m. on Friday, May 14.

## Preserving A Heritage...

Considering the total population of the United States, only a relatively few people have personally seen and experienced the immensity and serenity of California's coastal redwood forests. Among these trees — far from the sounds of highways, the sunlight is soft, the silence complete, the sense of isolation total. These are the world's tallest trees, and the goal of permanently preserving adequate acreages of them is supported by people generally, by government agencies, conservation groups, and the timber industry.

It is important to realize that sustained yield forest management, under which new trees are grown to replace those cut, and annual timber harvest does not exceed annual growth, is being established in the redwood region. It is ideally applicable here — the coastal redwood is one of the most rapidly growing species of trees in existence — proper forest management can produce a three and a half foot diameter tree on the average in sixty years.

Entirely aside from esthetic considerations, or permanent availability of redwood resources, the future of these forests is a life or death matter in the economic affairs of the northern California coast. In six Redwood Region counties, timber industry sales of forest products annually total some \$320 million, and in Humboldt County, forest products account for 70 per cent of the area's economic activity.

No one is advocating that classic groves of great trees now available for public enjoyment be cut down. It has been estimated that some million and a half old growth trees stand on some 59,000 acres of redwood state parks. Indeed, timber companies at heavy tax cost now preserve some of their finest stands with the intention that they be made part of the park system as it is developed. But the redwood forests cannot be put in a deep freeze and best serve the public interest. In the Redwood Region as in other great forest areas, a balance between public and commercial use can best assure the perpetuation of our great grandchildren's heritage in the trees.

May 14, 1942

In the graduating class of 1942 the two students who have earned the highest marks and will graduate with honors are Clarence Small, Jr. and Jean Stevenson. Clarence, son of Mr. Clarence Small Sr. of Beaver Creek, has earned 2.93 out of a possible 3 points and is valedictorian. He has had a perfect attendance record the last three years. He also has walked a distance of five miles to school every day this year. Miss Jean Stevenson, daughter of Mr. and Mrs. Sam Stevenson, stood second highest with a 2.83 points for salutatorian. Completing a four-year high school course in three years, she has been active in class affairs, glee club, art club and band.

To open mail route to Traverse City. Contracts bids are being received for the carrying of daily mail over the proposed Star Route from Grayling to Kalkaska, Williamsburg and Traverse City and return.

On Thursday May 21st, the USO is staging a party at the officers' club. National Guard Camp. All profits from this party will go to the U. S. O. The party will open at 2 p. m. with bridge for the ladies, 25c entry fee. At 8 p. m. the Grayling Band will entertain with a band concert. At 9 with music by Bob Tompkins and his band, dancing will start in the ballroom of the club. Sandwiches, doughnuts, Dutch lunch plates and coffee will be served through the club kitchen.

Five pike will be the new daily creel limit for pike fishermen whose sport begins May 15 on more than 200 of Michigan's larger inland lakes. Until this season the angler could take five northern, five walleyed pike and five black bass. Now his limit will be five rather than 15. The length continues at 14 inches.

## Lake Margrethe

By Marjorie Flower  
Mrs. Jack Nichols of Royal Oak called at the Stan Flower home Monday.

Mr. and Mrs. E. J. Birdsall left Saturday for Columbus, Ohio to spend a week visiting relatives and friends.

Mrs. Truman Marlatt of Detroit is in Bon Secour Hospital at Grosse Pointe for surgery. Her address is 488 Cadieux Road, Grosse Pointe, Michigan 48230.

Mr. and Mrs. Enos Jennings of Hazel Park spent the weekend at their cottage at the lake.

Mr. and Mrs. Wm. Laurent spent several days in Flint to attend a baby shower for her daughter Mrs. Gary Card and also on business.

Debbie and Robert spent the time visiting their father and grandmother Miller in Flint. Mrs. Blanche Azelton of Beaver Creek rode to Flint with her daughter and attended her granddaughter's baby shower. She also visited with her step son and wife the David Azeltons and daughter. There were many old friends and neighbors who attended the shower that Mrs. Laurent and Mrs. Azelton hadn't seen since they moved north, so they had a wonderful time.

## Twin Bridges

By Mrs. Esther Herrick  
Mr. and Mrs. Howard McCann of Detroit and guest Walter Orlovski spent the weekend at their cabin doing some fishing. Howard will retire soon and Lovells will be their permanent home. Welcome folks. They have been coming to Lovells a good many years and Howard's father, Jim, before him.

Mr. and Mrs. Clarence Kaufman returned after making a trip of a few days back to Angola, Ind. Mrs. Dorothy Olney and mother, Mrs. Sue Snooks, will be back from Detroit and Florida after spending the winter in Detroit and spring in Florida.

Mr. Wm. Heyworth is up for some trout fishing staying in his trailer.

Mickey McCann and friend visited his brother Howard, one day over the weekend.

Our sympathies go to Mrs. Bernice Caid in the tragic death of her husband, Billie Caid. Bernice is the daughter of Mr. and Mrs. Tom Morris. Mr. Caid leaves his wife and three children.

Mr. Wm. Heyworth tells us his mother still lives and is enjoying normal health for her age, 95 years, young. Her home is in Canada.

The Jack Mackies spent the weekend at their cabin on Twin Bridge Rd.

Nice to see Jim Gould of West Branch at their cabin on the North Branch of the AuSable. He is doing very well after his bad fall and four months in the hospital.

## Mercy Hospital News

Patients at Mercy Hospital this week included Diane Stephan, John Redman, Elsie LaMotte, Walter Johnson, Beatrice Jeambert, Margaret Husted, Grayling; Elizabeth Horton, Frederic.

Mr. and Mrs. Alvin Critcher of rural Grayling have a son, Allen Thomas, born May 8 and weighing 10 lbs. 2 1/2 oz.

## Notice to Public

A public hearing of the proposed budget for the year 1965-1966 will be held on May 24th at a regular Council meeting.

Harold S. Cliff  
City Mgr. and Clerk

## BIG BRADFORD LAKE

Mrs. Frank Midkiff  
The Bradford Lake Study Group met at the home of Mrs. Marius Rogalle Wednesday May 5th. The lesson was on "Landscaping". There were all five members present.

Three members Mrs. Marius Rogalle, Mrs. George Wortheby, and Mrs. Kenneth Heed also attended the Achievement Day meeting at Maple Forest Town Hall May 4th. They told of the slides shown by Mary Ellen Kitti, Kalkaska, Mich. of "Her Wonderful Summer in Scandinavia" where she was an Exchange Student and of Finland where she had relatives. It was very interesting even second hand. Sorry I missed seeing the slides Tuesday.

At the Fred Wilson Srs this weekend to celebrate Mother's Day and their Father's birthday were Mr. and Mrs. Eugene Wilson and family of Carlton and Mr. and Mrs. Fred Wilson Jr. of Flint. Happy Mother's Day.

Mr. and Mrs. James Midkiff and daughter Monique left Monday for Detroit after surprising his folks, the Frank Midkiffs, Thursday afternoon.

The Arnold Kruger's of Owosso were up to their cottage again this weekend.

Was surprised with a call from our daughter Barbara of Sweeney Lake, Sunday night wishing me a happy Mother's Day. Also talked with her husband and children. The telephone is a nicer way to say "hi" than a card. It's true when they say if you can't be there in person the next best thing is to call long distance.

Mrs. Marius Rogalle took her mother Mrs. George Worthout for dinner Sunday to celebrate Mother's Day.

By Emma Stillwagon

Tom Rowe and party from Ohio are enjoying a week at the Douglas Hotel.

Jim Koornke and friend spent the weekend with his parents the Bill Koornkes.

The community was shocked by the death of Bill Caid, who was killed in a car accident Friday morning. His many friends extend their sympathy to the family.

Mr. and Mrs. Kenny Morris, Mr. and Mrs. John Billmeyer and daughters of Saginaw were here to attend the funeral of their brother-in-law, Bill Caid.

Mr. and Mrs. Jake Stillwagon of Flint spent Sunday with his parents Mr. and Mrs. C. Stillwagon.

Jim Douglas is driving a new Mercury.

Mr. and Mrs. Lewis Stillwagon, Mr. and Mrs. Mickey Stillwagon and daughter Mandie visited the C. Stillwagon's Sunday.

## School Board Minutes

Grayling-District No. 1

The regular meeting of the Grayling School Board trustees was called to order at 8:00 p.m. in the Home Economics room on April 12, 1965, by president William Joseph. Others present were Supt. Stripe and trustees Henig, Bishop, Smock, Thompson, Millikin and Strong. Architect Richard Wiggins and Mrs. Mike Goodrich.

The minutes of the previous meeting were corrected and approved.

Mrs. Goodrich wished to furnish a yearly football award in memory of her late husband, the award to begin with the school year 1964-65. Millikin made a motion that we accept such an award. Thompson supported the motion which was carried unanimously. Mrs. Goodrich was to meet with the coaches, athletic director, superintendent and principal to plan the award.

Mr. Wiggins was present to discuss need for additional parking at the elementary school. He was requested to furnish the board with two feasible plans and their costs. It was pointed out that Jansen Plumbing still had work to be completed in the high school. Claus Beukema of the Daverman Company was to inspect the science equipment April 13th. A thorough inspection of both schools is to be made in August before the 1-year guarantee for work and materials expires.

Bills numbering 4970 through 5029 in the amount of \$33,288.35 were approved for payment unanimously upon a motion by Henig supported by Millikin.

The superintendent announced state and federal aid legislation looked favorable for K-12 schools. Earl Gierke, commerce teacher, is to take a summer course to better fit him for managing a co-operative education program, his fees to be paid with school funds; the registration and election dates, necessary notices to appear in the Avalanche; and that Fraser Dean declined to coach the football team. Hence a motion by Henig that a new varsity football coach be hired was supported by Smock, Henig, Smock, Millikin, Bishop and Strong all ayes. Joseph no. Thompson abstained. Motion carried.

Supt. Stripe informed the board concerning teachers he had interviewed to be hired for the coming year, that the liability insurance on the Beaver Creek School is \$57,000 a year; that he had not been able to find a source of locker room baskets with solid fronts to date. He asked that a payment of \$350.00 be paid to Grayling Electric toward the blinker lights at the elementary school and permission be granted for the rental of a postage meter.

The superintendent was instructed to get kids on the enlargement of his office space and the building of a new garage. He announced that an Operation Head Start program of 6 weeks duration had been applied for to be held during the summer months for 4 & 5 yr. old children of lower income families, in cooperation with the federal Economic Opportunity Act. He recommended that principal Elmer Fenton head the program, that two elementary teachers and as many high school students as necessary be hired. Millikin made a motion that this be done. Smock supported the motion. Motion carried.

Henig pointed out there was an air purifier at the hospital that could be inspected as to its efficiency for use in the locker room. The teacher base pay for bachelor's degree was raised \$400.00 by motion of Joseph supported by Strong. Motion carried.

Smock recommended bus stop on North Down River Road be moved further away from overpass.

It was noted the Grayling School District Number 3 is to vote on an annexation to Grayling District No. 1 on June 7th.

The superintendent presented the proposed budget for 1965-66. The agenda showed \$24,802.94 in the general fund on March 31, 1965; \$18,733.14 in the debt retirement fund; \$2,000.00 in the building and equipment fund as of March 28, 1965. The net balance in the hot lunch fund was \$100.65 of which \$375 is due to the union class for work done.

## Mother-Daughter Banquet Held At St. Mary's

The St. Mary's Ladies Club held their annual Mother and Daughter Banquet at the Chief Shoppen-aton Motor Hotel on Sunday May 9th.

Father Joseph Sakowski said the blessing before the meal. Mrs. Lida Goodrich had a Prayer to our Lady. Mrs. Maureen McNamara said the toast to Daughters. Mary Liz, her daughter, gave the toast to Mothers.

Mrs. Emma Lovely was honored with a floral arrangement for being the oldest mother present. Mrs. Mae Bishaw for having 5 daughters. Mrs. Fraser Dean, the youngest mother. Also, starting this year, the annual tradition will be to honor one mother who has worked very hard on Parish Projects through the years.

The mother for this year was Mrs. Fedora Rasmussen for all the years of service she has rendered to our church and community.

The breakfast closed with a prayer by our president, Mrs. Eleanor McIsaac.

There were eighty mothers and daughters present, which was an excellent attendance for this day.

## Recreation League Banquet Held

The Wednesday night Women's Recreation League banquet and last meeting took place Saturday May 8 at the Legion Hall starting at 7 o'clock. A delicious Swiss steak dinner was served by the Legion Auxiliary for 92 women bowlers and sponsors, at tables beautifully decorated in bowling motif by the Stroh's team, Phyllis Long, Karen Macaulay, Nellie Buccaletto, Hattie Worden, Mary Holmes, Lois Wheeler and Gloria Tinker. Vice-President Muriel Latuszek acting for President Onalee Smith welcomed the group and then turned the meeting over to Secretary Margaret M. Balch.

The Recreation League had a first Saturday night when City Association Socy. Jerinne Hoffman introduced Mrs. Eabern Olson and then presented her with a permanent membership in the W. I. B. C. in the form of a gold plaque as a gift from her bowling team. Mrs. Olson was also presented a gold pin from her son Nels showing her permanent membership. Her membership number is 1042, so she is one of a select group. Mrs. Olson has not only sponsored a team ever since bowling began in the old Temple Theatre building, but has also been a continuous bowler since then. The Grayling group became members of the W. I. B. C. at a much later date, in 1947, and Mrs. Olson has continued to bowl, thus earning the necessary fifteen years to qualify for permanent membership. She was very pleased and surprised, and said she would be back next year and hoped to see all the bowlers of this year back again.

The year's prizes were presented to the teams in order of their finish, 1st Modern Woodmen, 2nd Stroh's, 3rd Olson's Shoes, 4th Culligan Soft Water, 5th Dick Dodge Chev., 6th The Pink Lady, 7th Scott's Bar, 8th Pioneer Room, 9th Grayling State Bank, 10th Glen's Market, 11th Leonard Gas, 12th Dingman's Tavern, 13th Marshall Motel, 14th Blatz.

The high team series prize went to Stroh's, Pioneer Room, Olson's Shoes, in that order; high team single to The Pink Lady, Stroh's, Marshall Motel; high individual series to Jerinne Hoffman, Lois Wheeler, Edna Howlett; high individual single to Jerinne Hoffman, Gloria Nielson, Phyllis Long. High average prizes went to Jerinne Hoffman, Lois Wheeler and Edna Howlett. Kay Isenbauer was the most improved bowler of the year.

Championship trophy was given to The Pink Lady with runner up Modern Woodmen. High single game and high series trophies went to Jerinne Hoffman, also a high series pin from W. I. B. C. Muriel Latuszek won the fun night trophy.

Perfect attendance pins went to Babe Lloyd, Elma Marshall, Muriel Latuszek, Lora Gould, Eunice Slusser, Jerinne Hoffman, Linda Marriage, Millie Harmer, Vi Middleton, Ruth Caid, Dorothy Stephan and Boots Balch.

Trophies for 200 games were given to Ruth Caid, Irma Robinson, Jeannette Dodge, Shirley Bendig, Karen Macaulay, Betty LaChappelle, Dorothy Stephan.

Secretary Balch then turned the meeting over to City Secretary Hoffman who presented tournament trophies to Blatz for doubles, Jean Rasmussen, Edna Howlett for singles, and Edith Long, third place.

New officers for 1965-66 were elected as follows: President, Muriel Latuszek; vice-pres. Mary Ann Hull, sec. Boots Balch, treas. Jean Rasmussen, sgt. of arms, Jeannette Dodge.

If there is any team not bowling next year, please contact Margaret Balch as soon as possible.

M. Balch, Recreation League Secretary

## BITS O' TALK

Debbie, daughter of Mr. and Mrs. Peter Stephan, made her first communion at St. Mary's church May 2. Her parents held an open house from 1 to 6 in the afternoon, serving a buffet dinner to some thirty-one relatives and friends. Out-of-town guests were Mr. and Mrs. Ted Dreffs, Judy, Kay and Janet, of Gaylord, Mrs. Lewis Krome, Lincoln Park. Debbie's sister, Diane, was taken to the hospital Friday with pneumonia but is coming along well.

The Fred Lamms returned home from Florida, stopping in Toledo to visit Mrs. Fred Catlin and Mrs. Robert Ziebell, spending the weekend in Clarkston with their son Tom and wife, and arriving here Sunday evening.

The John Ludemann entertained Mr. and Mrs. Robert Roblin of Manistee and Mrs. Oscar Hanson with a luncheon on Tuesday of last week. Mrs. Ludemann hosted the knitting class of Circle 2 with a luncheon on Thursday.

Mrs. Ralph Millikin and Mrs. Russell Mosher were in Gaylord Monday on business.

Mose LaSprance of Dearborn was in Grayling last week visiting friends and while here attended the potluck dinner and meeting of the AuSable Barracks No. 3388 W. W. I Vets at the Legion Hall.

City Police issued a summons to Kenneth Duane Helsel, 22 of Grayling May 10th for speeding in a 50-mile zone. He will appear before Justice Don K. Gothro in the near future.

Mrs. Robert Knutilla and daughter Susan of Williamston attended the services for Mrs. Ernest Borchers April 29th, also visiting her parents, Mr. and Mrs. Harry Souders.

## PONY TALES

By JANET W. OLSON

Are you giving any thought to entering your first horse show this summer? If not, do give some thought to it. There is nothing like the thrill of your first ribbon being it a fourth or fifth place, you will only work harder to do better next time. The expense is not great, as the entrance fee in most children's classes is only a dollar or two. Start with the smaller shows close to home. Take a lunch, the whole family, and make a fun day of it.

GETTING your pony ready for a show is really not such a chore if you have taken good care of it through the year. By mid-May most horses are well shed out and with lots of elbow grease behind the grooming brush is like polished satin by June. Check the horse's feet and have any trimming done. If you are not experienced don't try to do this job yourself as you can do much damage and remember that your horse or pony is only as good as his feet are. If the weather is warm, three or four days before you plan on going to the show give your pony a good soap bath. If you are showing a pony or horse with a full mane and tail use some creme rinse in the final rinse water and work out any tangles with your fingers. After a soap bath you must really work hard with both brush and hand to restore the natural oil to your horse's coat. If you rub him all over with your own hand you will transfer some of your own body oil to your horse and give him a real finished look.

About an hour before show time give your horse a good rub down. We paint our ponies feet with black shoe polish. The kind with its own dober is the easiest to use.

Do take into consideration the fact that your pasture or training ring is probably a very quiet place and that the start of a show, with music playing, flags waving, and the loud speaker blaring, may be quite a disturbing thing to your pony if he is not used to such things. For a few weeks before show time encourage people to come and watch you work your horse. Put a radio or record player out where the animal can hear it and turn it up good and loud. If any one drives out to watch you have them honk their car horn a few times. Watch your horse's reaction to these strange and different things and you will have a pretty good idea what his reaction to the show ring will be.

THAT YOUR horse or pony is not of registered stock does not mean that you can't show him. There are lots of classes that don't require that your horse be registered. Enter a Western Pleasure Class or Equitation Western Seat Class for people in your age group. Your dress need not be fancy, but a neat clean look is very important. If you want to show young stock that you haven't started under saddle yet enter a halter class. There are even classes for the little riders, five and under. They can ride in a Lead Line Class with you or an older brother or sister handling the line.

If you do plan to show for the first time this year and you can help you in any way do write and we will be glad to answer any questions or help in any way. If you do show and come home with a ribbon or trophy let us know that too so we can use your name in this column.

Anyone having a question concerning ponies, may write to Pony Tales, c/o Avalanche and your questions will be answered.

## Moose Lodge Activities

It is with deep regret that we must report the loss of a highly respected brother of the Moose Fraternity, Brother Ed Jungman of Grayling Lodge 1162 and a member of Michigan Moose Legion 107 was on the ill fated ship the Ceder-ville when it sank in the Straits of Mackinaw last Friday morning May 7th. Bro. Jungman was a fine example of the principles of the Moose and his place in the defending circle will be sorely missed. Our deepest sympathy goes out to his family in their hour of sorrow.

The Degree Team will travel to West Branch on Saturday May 15th to put on the Enrollment for their Lodge and on Sunday the 16th will be in Owosso to accept their invitation to do the degree work.

Bro. Wesley Seder is out of the hospital and at the present time is residing in the Rest Home at West Branch.

Don't forget the Ritual Team is putting on a beaver dinner at the Lodge Saturday May 15th. They will start serving at 5 p. m. Tickets may be obtained at the Club or from members of the Degree Team.

Estimates are being made of the cost of a new floor in the Club rooms and the officers hope to have this project completed before the Legion meeting July 17-18.

Have you checked your dues receipts lately? May 1st ended another quarter and May 15th ended the grade period.

(Did you know that a man never stood so tall as when he stoops to help a child?)

## Grayling Seniors Enjoy Washington Sojourn

Fifty-two members of the Grayling High Senior Class and their chaperones, Mr. and Mrs. Don Ferguson, Mrs. Robert Lovell and Mrs. James Eaton went by school bus and driver Andie Neilsen to Detroit May 5th, where they embarked on a busline for Washington, D. C. on their senior trip.

They arrived Thursday morning and set out immediately after breakfast on a tour of the Bureau of Engraving and Printing, the Washington Monument, and the White House. After lunch they saw the Arlington Cemetery and the Two Jima landing memorial statue, the Lincoln and Jefferson Memorials. They checked in at the Park-Arlington Motel that evening.

The next day they visited the Washington Cathedral, Mohammedan Mosque, and Shrine of the Immaculate Conception, and after dinner went to Glen Echo amusement park, where it so happened Luci Baines Johnson and escort also were spending the evening.

Saturday the seniors toured the Capitol, the Supreme Court, Library of Congress, the Wax Museum and the Smithsonian Institution.

They returned to Detroit where they were met by LeRoy Akers and Don Sorenson, who drove them back to Grayling in school buses, arriving here at 11:30 Sunday morning.

## Road Commis- sioners Minutes

April 23, 1965

A regular meeting of the Board of Crawford County Road Commissioners held in their office in Grayling. The meeting was called by Chairman Pro-Tem Howard H. Mead. Members present, Commissioners Howard H. Mead and Harold T. Johnson, and Eng-Supt. Bruce Carlson. Absent, Elmer A. Corsaut.

The minutes of the last regular meeting were read. A motion was made by Comm. Johnson, seconded by Comm. Mead, that the minutes be accepted as read. All voted in favor, motion carried.

Mr. George Henning R. L. S. and Mr. Joseph Mallinger presented a tentative plat for the W 1/2 of the NE 1/4 of Sec. 31, T23N, R23E, South Branch Township. Tentative approval was given to the general layout of the proposed subdivision but formal approval of the tentative plat was withheld until the formal name of the plat was given and the public streets were named.

The Commissioners and Eng-Supt. Carlson made an inspection trip over several roads in the County.

After returning to their office a motion was made and seconded to adjourn. All voted in favor, motion carried. Howard H. Mead Chairman Pro-Tem

## Council Proceedings

Regular meeting of the City Council held on Monday, April 26, 1965, at 7:30 p.m. in the City Hall.

Meeting called to order by Mayor Cook at 7:30 p.m.

Members present: Cook, Duley, Sorenson, Madsen

Members absent: Broadbent

Citizens present: Ward Ellison, attorney, Donald Keech and Bruce Reynolds of Michigan Department of Health, Dale Pettengill, Rich- ards DuBois, and Melvin Marshall

The minutes of the previous meetings approved as read.

Mr. Donald Keech discussed the City's Water Department with the Council relative to water treat- ment and production capacities, al- so, the need for main extensions to improve the Water Service and to extend the Service to areas not now serviced. No Council action was taken at this time.

Discussion on the new Police car was held. It was decided by the Council that the City would con- tinue to buy a car with the con- ventional straight transmission.

Melvin Marshall asked that any publish along highway, causing an unsightly condition, be removed. The City Manager is to investigate and take action.

A motion was made by Madsen and supported by Duley that the City contribute twenty-five dollars (\$25.00) to the Fred Bear Testi- monial Dinner Fund. All voting in favor, motion carried.

A motion was made by Cook and supported by Sorenson that the City of Grayling make application to the Michigan State Highway De- partment for a driveway approach to the New City Hall. All voting in favor, the motion carried.

A motion was made by Duley and supported by Madsen that the Michigan State Highway De- partment be asked for permission to install a red Stop light device on M-72 and I-75 B. L. at the in- tersection of Charles Street. The purpose of this light is to stop traf- fic for the fire trucks right of way. All voting in favor, the motion car- ried.

The City Council approved No U-Turn signs at the intersection of Michigan Avenue and Chestnut Streets.

The meeting was adjourned by Mayor Cook at 9:45 p.m.

## LETTERS TO THE EDITOR

**EDITOR'S NOTE** - The fol- lowing letter to Ralph Mac- Mullen, Director of the Michigan Conservation Department from Crawford County Chamber of Commerce Manager "Chu" Longworth is presented to show the many and varied tasks that the Chamber and its employees must handle.

April 29, 1965  
Mr. Ralph A. MacMullen, Director  
Department of Conservation  
Stevens T. Mason Building  
Lansing, Michigan

Dear Mr. MacMullen:  
There has been a rumor in our small community that in 1966 the trout fishing season will begin the latter part of May rather than on the last weekend of April as has been the policy the past several years.

We believe the fish division is doing an excellent job and have no quarrel with them in any way. We have heard some of the reasoning

behind this season change, and no doubt the fish biologists are correct in their logic.

However, Mac, in our northern area there are other matters that should be weighed before a change such as this is made, and one of the primary reasons is the impact on our economy.

It did not take long after moving up here from downstate to realize how these northern residents feel about any thing that upsets the economy of their area. The busi- ness people and residents who are in our area are almost wholly de- pendent upon tourists or tourist services, and it is axiomatic that really the first tourist usage the area feels in the spring is the opening of trout season.

The fact that trout season had a much delayed season last year did not have any impact on our economy because there were not many fishermen toward the last of the delayed season. Consequently, for economic impact it is not the length of the season but when the season begins. Weather also does not appear to make any great difference. I happen to live on the river and on Club property. Our annual dinner and meeting had as great attendance last Friday night as in any past years. The area business did as much business this past weekend as they have in past years. In fact, when the weather is not conducive to fishing, the fishermen naturally tend to mi- grate into your marketing or busi- ness center. These people up here need every bit of economic help for their community that they can possibly get. Our winters are long and hard, and the summer season is very short. So, in weighing all of the season, give some thought to the people of our northland as well as the fish.

Best regards to you and please visit us when you are in the area. Sincerely yours,

## BEAR LAKE COUPLE TELL OF RESCUE

Mr. and Mrs. Marvin Lohr of Elmore, Ohio, and Bear Lake, owe their lives to two fine brave lads, Al McCool, son of Mr. and Mrs. Foster McCool, of Kalkaska, and Robert Moyer, son of Mr. and Mrs. Norman Moyer of Blue Lake, who courageously and without hesitation plunged into the icy waters of Blue Lake Tuesday, May 4th, to rescue the couple, once they realized and investigated their calls for help. Mr. and Mrs. Lohr had been in the icy water for an hour or more after their boat capsized. The young men pulled the Lohrs to shore and Mr. Lohr was hospitalized at Grayling Mercy Hospital for two days afterwards.

Mr. and Mrs. Lohr said their cries for help had gone unheeded until the two boys came to their aid, and that to these "valiant young men go our undying grati- tude. To Mr. and Mrs. Fred Drown for their wonderful assist- ance, Mr. Moyer, Mr. Berkshire of Blue Lake, the doctors and nur- ses of Mercy Hospital, our friends and neighbors, our many thanks." They pointed out that one life had been lost at Cub Lake because no one had believed the calls for help, and hoped that people would give more heed in such cases.

Mrs. Lohr is a niece of the late George Burke.

## Post Plans Michigan Week Open House

The Michigan State Police will hold their ninth annual open house at each post Tuesday, May 18, Hospitality Day of Michigan Week, it is announced by Commissioner Joseph A. Childs.

Visiting hours at the Houghton Lake post will be from 3:00 p.m. to 7:00 p.m., according to Sgt. Sorsara, commanding officer.

Persons calling at the post will be escorted on tours of the quar- ters and see an exhibit of equip- ment and facilities.

"VISITORS are always welcome at a State Post post," Sergeant Sorsara said, "but this is a special reception and a fine opportunity to see how a post operates and learn about the many activities of the State Police."

The Houghton Lake post is lo- cated at M-55 and Old 27 and is easily identified.

OPEN HOUSE has always been a popular event and Sergeant Sorsara is hopeful the response is repeated.

The Michigan State flag as well as the American flag will be flown at the post each day of Michigan Week, which extends from Sunday, May 16, through Saturday, May 22nd.

## ANOTHER GRAYLING LANDMARK FEELS THE WRECKER'S AXE

The house which stood at 404 Norway Street is reputed to be one of the oldest built in Grayling. It is now being torn down by Wal- ter Galvani for the material in it, who got it from Roy DeWitt, owner of the land.

THE LAND was originally deeded by Jackson, Saginaw and Lan- sing Railroad to Henry Robinson in

1875. Next recorded is the trans- fer from a Leonard Simmons to one Dave Landon, who apparently built a home on the property. Lan- don sold to Salling, Hanson in 1890, Salling, Hanson to John K. Hanson the same year, J. K. Hanson to John Olson in 1898. The John Ol- sons lived in the house for many years until his death. The estate

administrator then sold the house to Vern Perry in 1938, who sold it to Jim Perry, who sold to Har- old Duncan, who sold to Charles Long, who sold to the last occu- pants, the John Duffys, who sold to Lawrence Hunter, who made the final sale to Roy DeWitt.

"YOUR PARTNER IN PROGRESS"

The marriage of Miss Barbara Jean Brown, daughter of Mrs. Jeanie Brown of 2013 1/2 East Michigan, Lansing, and Mr. Roy Lovely of Pontiac, son of Mr. and Mrs. Roy L. Lovely of 702 Plum Street, Grayling, was solemnized with a nuptial mass at twelve noon on Saturday, May 8, 1965, at the Church of the Resurrection in Lansing. Father Parks performed the double ring ceremony.

Given in marriage by her brother-in-law, Thomas Mikesa, the bride chose for her wedding a floor-length gown of parchment silk with Alencon lace applied around the neckline. The dress was fashioned with princess style flat panel extending to the floor, the skirt full at the sides and back.

**SERVICES HELD FOR HELEN E. BABBITT**

Funeral services for Miss Helen Ester Babbitt, 68, of Bellaire, formerly of Grayling, were held Sunday, May 2, 1965 at the Matthews-Learned Funeral Home in Bellaire, with the Rev. Ralph Fisher of Manvel officiating. Burial was in Elmwood cemetery in Grayling. Miss Babbitt died Thursday evening, April 29, at Traverse City Osteopathic Hospital following a stroke suffered one week earlier.

She was born September 15, 1896 in Grayling, the daughter of Reuben and Jeanne Babbitt. She grew up here and worked as a store clerk for many years, continuing in this line when she moved to Bellaire around 1941.

A member of the Church of the Nazarene, she is survived by one sister, Mrs. Earl (Bernice) Domeo of Toledo, Ohio; four brothers, Dan C. and Peter F. Babbitt of Grayling, Donald R. of Denver, Colo., and Hubert G. of Bellaire, and several nieces and nephews. She was preceded in death by one sister, Angie, two brothers, Leon and Richard, and her parents.

Attending the services from out of town were Mr. Roger Evans, Toledo, Ohio; Mr. and Mrs. William Evans, Mio; Mrs. Mary Minnie and daughter Sisie, Monroe; Mr. and Mrs. Roy Newberry, Frederic; Mrs. Shirley Peattie, East Jordan; Mr. and Mrs. Byron Barber, Roscommon; Mrs. George Granger, Big Rapids; Mr. and Mrs. Norman Hickey, and Mrs. Dolly Brown, Traverse City; Mrs. Pearl Babbitt, Mr. David Babbitt, Mr. and Mrs. Harold Babbitt, all of Frederic; and Mr. William Barkley, U. S. Army, Texas.

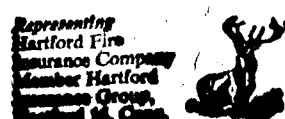

How long has it been since you had a close one?

Quite often when you see an accident or pass the scene of one, you'll tell your friends about it later. Usually you'll add how you had a "close one" last week. You might be thinking, "It could have been me."

The Crawford County Extension Study Groups met at the Maple Forest Townhall on Tuesday, May 4th for their Achievement Day Program.

The ladies registered as they arrived and pinned on name tags made by the Pines Study Group. The door prize was a box of chocolates and was won by Mrs. Robert Shook. Exhibits were set up by each group with 35 different types of items on display made by the members.

Mrs. Clifton Papendick, the retiring County Chairman called the meeting to order. Mrs. Clayton Hildebrand, vice-chairman then led the group in reading the "Michigan Extension Women's Creed". Mrs. Papendick then spoke about the trip to Flint May 18th, and said those interested in going should be at the Courthouse at 6:30 a. m. Planned activities include a visit to the Chevrolet assembly plant; a noon meal at the College cafeteria; a journey to the planetarium and also a tour of the Cultural area of the College. Be sure to contact Mrs. Clifton Papendick at 801 Smith Street — phone 348-3802 if you are planning to make the trip by May 12th. There is to be an Arts and Crafts program at East Tawas May 20th from 10:00 a. m. to 3:00 p. m. The "Share A Loaf" project was described which is to start in July; that is sponsored by the Churches For World Service and the Farm Bureau. College Week for Women is to be July 27-30th this year. Dr. Zelma George will be the guest speaker and her topic is to be "Changes and Conflict In The World". Following the above announcements an election of officers for 1965 to 1967 took place with these ladies being voted in: Mrs. Clayton Hildebrand, County Chairman; Mrs. Allie Filley, Vice-Chairman; Mrs. John Wilcox, Secretary-Treasurer, and Mrs. Delbert Case, Reporter. After balloting was completed, the Lovells Study Group took charge of a silent auction of "white elephants". A delicious potluck dinner was enjoyed by all at the close of the morning session and the Maple Forest Study Group served coffee for our meal, as well as being in charge of checking the hall at the end of our day.

Mrs. Jack Fenton won a pair of decorated candles in a drawing held by the Lovells Study Group, and Mrs. Robert Shook received a colorama candle kit.

Mrs. David Olson filled in for her husband and introduced Miss Mary Ellen Kitti of Kalkaska who was an Exchange Student, and her mother Mrs. William Kitti. "My Wonderful Summer in Scandinavia" was Miss Kitti's interesting and informative program for the afternoon and included over 50 slides taken on her trip to Sweden, Denmark and Finland. A brief question and answer period followed.

## Bits O' Talk

Mrs. Pearl Place of Saginaw and her mother and stepfather, Mr. and Mrs. John Morris, moved into the Avalanche apartment last Thursday. The Rev. and Mrs. Arnold Penner join them on weekends. Mrs. Place had been visiting the Morris in Frederic the past month.

Recent weekend guests of the Bill Larushes have been her brother and wife, Mr. and Mrs. Walter Fennell of Detroit, and their son, Mr. and Mrs. Fritz Balow of Hamtramck. Sunday, May 2nd, Mr. and Mrs. Larush entertained with a breakfast in honor of Denise, daughter of the Richard Niederers, who took her first communion at St. Mary's church that day.

Tom Ward and his bride Irene from Denver, Colo., flew to Detroit and drove north to spend a recent weekend with his grandmother, Mrs. Fred Wiehe.

According to the April-May Michigan State University Alumni magazine Mrs. Shirley Gowing, who was a former Crawford County resident and at one time taught in the Feldhauser School, is now an instructor in arts and crafts with the Saginaw County Hospital Rehabilitation Center.

Clara Root of Rt. 1, Frederic, an employee of the Michigan State Military Establishment, has been named a delegate to the 15th Annual General Assembly of the Michigan State Employee's Association in Saginaw, May 14, 15, and 16.

Nels Olson drove to Ft. Lauderdale, Fla., April 28th to pick up his mother, Mrs. E. J. Olson, and bring her home. They stopped in Pottsville, Ohio, on the way back for a visit with his brother Esbern Jr. and family, and arrived here Thursday. Mrs. Olson had been in Florida for the past several weeks.

Mr. and Mrs. John G. Knight are expected back at their Game Club home after spending the winter at Scottsdale, Ariz.

Some new homes going up in Shangri-La subdivision are those of the Melvin H. Johnsons of Birmingham, the Harold G. Curriers of Royal Oak, and the Joseph Holdings, Jr. of Monroe. Mr. and Mrs. B. H. Ponder of Mt. Morris have purchased an existing home in the subdivision.

Dr. and Mrs. Dennis Day and sons Craig and Brian of Okemos spent the Mother's Day weekend with his parents, Mr. and Mrs. Glenn Day. Mrs. Day's parents, Mr. and Mrs. Fred Kurasch of Alpena, also spent the weekend at the Day home.

Mrs. Lucy Stephan, Jr. has joined her husband at Marquette and has found a job there.

Julie and Rod Powers of CMU, Mt. Pleasant, were here Tuesday to visit her parents the Art Carlsons and to attend the mother-daughter dinner at the M. M. church where Julie modeled her wedding gown in the bridal fashion show which was a part of the evening's program.

Mr. and Mrs. Sam Lippard were in Cheboygan Sunday visiting his mother Mrs. Ethel Lippard and his brother, Mr. and Mrs. Lyle Lippard and family.

John Peterson of Rochester was in Grayling Wednesday and Thursday and visited his mother, Mrs. Bertha Peterson.

Mr. and Mrs. Earl Wood and Miss Margaret Failing left Tuesday to spend a couple of days in Midland and Bay City.

Mr. and Mrs. Richard Himebaugh and daughter Pam of Battle Creek were weekend guests of Mr. and Mrs. Rex Hawkins. They enjoyed mushroom hunting.

The Ivan Davis Jr. family visited their parents, Mr. and Mrs. Ivan Davis Sr. and the Earl Isenhauer family on Mothers Day.

Howard Granger of Kalkaska visited his mother Mrs. Cella Granger and the U'Harley Russells Sunday.

Mrs. Bud Gould was in Big Rapids Tuesday to confer with Paul Miller, director of the housing unit for the elderly in that city, a similar project to the one being carried out here. She also visited her parents, Mr. and Mrs. Harry Baumunk and sister, Miss Eleanor.

Mrs. Gould was accompanied to Big Rapids by Mrs. Earl Isenhauer to visit her son John and wife.

## Frederic P. T. A. News

The Frederic PTA will hold its last meeting on May 17 at 7:30 p. m.

At the April 19 meeting officers for the coming year were elected as follows: President, Erna Hulbert; Vice President, Merna Newberry; Secretary, Mary Osga; Treasurer, Vi Middleton; Program Chairman, Martha Madill; Publicity, Peg Partello.

However, a vote was held and passed unanimously that the Frederic PTA will be discontinued as of the May 17 meeting, because of lack of attendance.

The PTA still plans to have the "Alumni Reception" at the time of the Frederic Homecoming.

Mrs. Becky Baynham, Pres.

## Frederic Baptist Church News

The ground breaking service held May 2nd was well attended with about 150 people present.

A very interesting program was enjoyed. Pastors from area churches who took part were the Rev. Robert Erickson from Mio, Rev. John Bell from Roscommon, Rev. Peter Porta from Otsego Lake, Rev. Richard Halter from Gaylord, and Rev. William McEachern of Grayling. The Lovells Chapel also had a fine delegation present.

Rev. Douglas Stimers of Manistee was the great speaker for the event and remained for the even-service. He represented the Lower Michigan Baptist Conference.

Those bringing special music included Mrs. Stimers of Manistee, Mrs. Brooks of Otsego Lake, Rev. Erickson of Mio, Rev. & Mrs. John Bell of Roscommon, Mr. and Mrs. Gladwin Bindischattel of Clare and Miss Janice Johnson of Frederic.

Officers taking part in the ground-breaking service on the church grounds were D. W. Bears, Paul Henon, Jess Pratt, Rev. Claire Olin, Rev. D. Stimers and Charles Bearss. A good delegation from the Calvary Baptist Church, Grayling was in attendance also.

Following this happy occasion the ladies of the church served cake and coffee at the High School gymnasium.

## Band Festival Successful Event

The massed band festival hosted by Grayling May 5th was chair-manned by Band Director LeRoy Christian, with the faculty giving assistance at the High School during the afternoon and evening. At the massed band concert in the evening Calvin Whitmore of Benzle was the guest director. During the concert Mr. Clarence Odmark, Charlevoix Band Director, received the Director of the Year award.

The Band Directors' dinner was served in the Home Ec Room at the High School before the concert. Mrs. Don Jansen was chairman of the dinner. Mrs. Jack Church and Mrs. Harold Dykema chairmen of tickets. Mrs. Art Carlson, publicity. Mr. Garrett Bufe's art class made posters and the panels advertising the festival. Parents and students all helped in the promotion, which enabled the community to fulfill its audience guarantee and to make an additional amount also, as just under three hundred turned out for the evening concert.
